By participating, you acknowledge that you have read and accepted the Contest Rules and you agree to comply with the conditions for Participation set out in these Rules.

Limit of one (1) Instant Prize Entry per day, per user, for the duration of the Contest Period. Each Game completed (with or without success) offers one (1) Instant Prize Entry for a chance to win one of the instant prizes. Winner selection is done electronically and randomly using the Jeu algorithm, and whether the game is successful does not affect the instant prize.

The odds of winning an instant prize depend on the number of Participants who have completed a Game in the Power Play Game and the number of instant prizes not yet won at the time of the Participant's Participation.

By submitting an Email Entry, the Contest Organizer considers that you have read and accepted these Rules and agree to comply with the requirements of the Email Entry, of these Rules.

Limit of one (1) Email Entry per Member Account during the Contest Period. The Email Entry will have the same chance of winning as the purchase entries.

**With Purchase.** To be eligible for the grand prize, each Participant must play the bonus game in the Power Play Game. In order to access this bonus game, each Participant must purchase a product targeted by the Aim for the Food contest in participating IGA stores in Québec and New Brunswick during the Contest Period, to receive a 4-digit promotional code (the "Code") included on the transaction receipt and enter this Code in the bonus game in order to play it. A Code can only be used once, per Participant, to receive one (1) purchase entry up to a total of forty-nine (49) purchase entries for the entire duration of

the Contest Period (a “Purchase Entry” and together with the Instant Prize Entry and Email Entry, an “Entry(ies)”).
